

Mosaic Meeting 2 August 2012

Roles

We know there is a lot of work to put on an event like a pavilion at Mosaic, therefore we have broken down the larger jobs in to committees. Each committee will have a chair to oversee the area of responsibility. We will have special meetings (likely monthly to begin with) with the chairs to report progress and to help each other to get everything done. We hope this will make the planning for this large event easier and allow for more people to get involved. If you would like to help in the planning, please contact John Edwardson or Kim Gillies. If you feel a chair position is too large a time commitment, please let us know. The committees will need many hands. So far, these roles have been filled, but many are open:

The Board had their first meeting on 2 August.

A Special General Meeting will be held in October or November to give the final approval for the Club's reentering on the Mosaic Scene.
