

## Mosaic Meeting 26 September 2012

### Venue

We are still searching for a suitable venue for the Scandinavian pavilion. Different alternatives have been mentioned, John and Kim keep looking into facilities and prices.

### Staffing

We may need to fill as many as 200 shifts. Most volunteers will probably cover more than one shift, but we'll still need many hands to fill all jobs.

Thursday 5PM—11 PM

Friday 5 PM—12 AM

Saturday 2 PM—12 AM

### Special General Meeting

Members: Make sure you show up and cast your vote in support of (or against) the SCoR Board in the effort to get the Scandinavian community back into Mosaic. This is a big step! Mark your calendars for the SGM on Wednesday 21 November.

### Displays

We are hoping to give the Scandinavian pavilion a new, fresh look. Members no doubt have things to put on display. Please send Kari an email ([kar-mit@hotmail.com](mailto:kar-mit@hotmail.com)) or give her a call (565-2450) if you have something you think could be presented.

### National Costumes

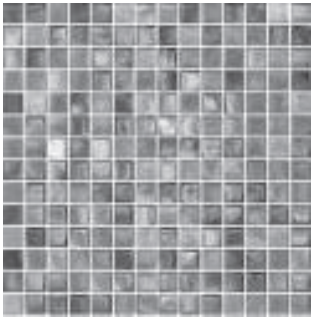

Whoever owns a national costume (or bunad) from Denmark, Finland, Iceland, Norway or Sweden: Make sure you get it ready for Mosaic 2013! Did it shrink in the closet? Perhaps you would be willing to let someone else wear it?

At the Annual General Meeting in April SCoR members gave the Board of Directors a go-ahead for sorting out how the club can participate in next year's Mosaic in Regina.

A Special General Meeting will be held 21 November to give the final approval for the Club's reentering on the Mosaic scene.
